Fresh designs from Blackberrys

Explain please: The new range from Blackberrys promises to be very stylish and comfortable for the summer. With fabrics like linen and cotton, the collection is perfect for the season. The colours to look out for are natural shades of hazelnut, grey and off-white combined with warm browns.

VFM: Price on request.

Verdict: Nice. Also while here check out the women's range. It will make a nice gift for the girlfriend.
