### The Unofficial Collection

Fashion brand Blackberrys has introduced its Spring/Summer collection that gives corporate youth an opportunity to come out of the lifeless formals and get into something smarter. The Blackberrys wardrobe includes dress line trousers, khakis and shirts, women's wear, suits and jackets and premium shirts for men. The range is available at major retail chain stores.

### Amron Backrest

Well known healthcare company Norma has introduced Amron backrest for those who drive cars. The backrest is a medically designed seat back cushion for cars which makes all the seats ergonomic and makes you sit in the right posture. The seats are made out of medical grade PUF to support the lower back on any seat. It has long lasting resilience and an elastic belt and D hooks for better adjustment. The seats are available in six different designs and sizes at prices ranging from Rs.499 to 899.
